A **module** is a unit of education or instruction with a relatively low student-to-teacher ratio, in which a single topic or a small section of a broad topic is studied for a given period of time. (Source: Answers.com)

All of our programs are based on a **FLEXI-TIME SYSTEM**. This is a flexible or compressed work schedules in which students can, within a prescribed band of time, start and finish their workload at their own pace as long as they complete the total number of hours required for a given work period for each major and degree type.
